

Growing Kids Through Golf

"I have no greater joy than to hear that my children walk in truth." III John 1:4

GKTG Youth Sponsor Program: South Africa

The GKTG Mission Team recently returned from Cape Town, South Africa where they introduced the GKTG program. The trip was made for the purpose of training a Cape Town leadership team to use the GKTG program to reach the kids of Cape Town. The trip was a huge success with 40 adult volunteers attending our training session in Cape Town. The result is a trained and passionate leadership team ready to reach the kids of Cape Town.

The kids of Cape Town we are reaching cannot pay for sports programs or leadership training programs. They do not have access. With your help we are giving the kids of Cape Town hope, physical and spiritual development, Christian mentoring, opportunity, connection to the local church, and leadership training. We have invested nearly two years to lay the foundation for this breakthrough in Cape Town. We are in awe as we have watched God orchestrate this effort to reach out to the kids of Cape Town using the game of golf!

The kids are ready and the leadership is in place. Now we need your help. We need to find sponsorships for the kids of Cape Town. Can you help us? As a \$100 sponsor you will be opening the door for a Cape Town child to participate. Our initial goal is to reach out to 500 Cape Town kids! These sponsorships will allow 500 Cape Town kids to enter the 36-session program, keeping them connected to the local church leadership to be mentored for a period of up to three years!

As a sponsor you will be able to correspond directly with the leadership in Cape Town to follow the development of the program and the kids. You will also hear from Cape Town Kids as they share their experience with their sponsors. You will even be invited to Cape Town for a visit!

These are wonderful kids and we can impact their lives today! Our prayer is that it will be our Cape Town Kids who will shape the tomorrow of South Africa. If you can help one or more of our Cape Town kids, please call or emails using the contact information listed below, or send your sponsorship to the address listed. This is a 501(c)(3) organization. Thank you!
